    - d. If any player (offensive or defensive) gets injured and elects to leave the game, they cannot re-enter the game. The injured player who is scheduled to bat will be skipped over in the batting line up without penalty. If the player chooses to leave the game after resuming play following an injury, the penalty will be an out each turn at bat.
    - e. If a player's name is listed in the line up at the start of the game, and does not play, it is considered an out each time the absent player is to bat.

16. **Double Bag First Base:** The Double Bag Rule is only in effect for games at Alan G. Davis Park.
17. **Pitching Rule:**
  - Alan G. Davis Softball Complex: The ball must hit the pitching mat/carpet to be considered a strike. If the ball does not hit a portion of the carpet or hits any portion of the home plate, including the black trim of the plate, it will be considered a ball. (You may **not** play more male than females; you may play more females than males.)
  - **Batting order: The batting must alternate male-female, etc...** The females should have their own rotating batting order and the males should have theirs.
